

What joining the NAFSA Region I Team can do for YOU!

Be part of the team, we meet monthly to give each other updates, hear information and check in on international education endeavors

We always try to have fun, play games within the team and laugh. This is a great place to have some fun and meet new friends and colleagues. We emphasize collegiality.

Help get you connected to the region, other regions, colleagues all over international education

Work on a team, learn new skills. There are different committees you can join to learn a variety of things from conference planning to sponsorship, budgets, communication etc.

The team provides international education resources through training, webinars and discussions
