

# Kobo Directions

1. Select the “Click here to Download eBook” button.

2. Save the file to your PC/Mac computer.
3. Locate the saved file and right-click on the eBook file and select “Copy” from the menu options.
4. Sync your Kobo to your computer using the USB cord that was provided with your device.
5. Open a File Explorer window and select your device, or if a prompt window appears, select the “Open folder to view files” option.
6. Once the Kobo folder is open, select the “Books” folder.
7. Right-click in the “Books” folder and select “Paste” from the menu options.
8. Wait for the file to transfer and then safely eject the device from your computer.
9. You may now unplug your Kobo and start enjoying your eBook from NAFSA!

Please refer to Kobo’s Help page for questions regarding the particular version of your Kobo eReader:
